## **The 2024 Americas Summit Costa Rica: Exploring Innovation, Sustainability, and Collaboration in the Heart of Central America**

**DENVER, CO (April 22, 2024)** – The [Biennial of the Americas](#), in collaboration with the [Colorado Office of Economic Development & International Trade \(OEDIT\)](#), [Denver Economic Development & Opportunity Office \(DEDO\)](#), and Governor Polis will kick off the [2024 Americas Summit Costa Rica](#) from April 23 to April 27, 2024 in San José and the Central Valley.

The 90 delegates represent various industries such as telecommunications, including [Liberty Global](#) and [Liberty Latin America](#), civic leaders, including the Mayors of [Grand Junction](#) and [Arvada](#), and academia representation including [Colorado State University](#) and [Colorado Mesa University](#). Companies represented on the delegation include [REVGEN](#), [Edison Interactive](#), [bpx energy](#) and [United Airlines](#), as well as a number of other C-Suite executives from across Colorado. The delegation also includes members of the [Youth Congress](#) joining the delegation from across South America. This diverse delegation all hope to gain insight and inspiration from the leaders and innovators of Costa Rica.

**“Colorado and Costa Rica have a lot in common, from our thriving agricultural industry to our strong businesses. This summit is an opportunity to continue building on our economic and cultural partnership. We are proud to showcase all that Colorado has to offer and learn from our counterparts in Costa Rica, and we will bring those benefits back to Colorado’s communities,”** said Governor Polis.

Over the week, the summit will explore a wide spectrum of topics, including innovation, business, public policy, conservation, foreign investment, advancements in health and technology. It will also delve into grassroots tourism, agricultural innovation, energy transitions, subnational diplomacy, and migrant integration. The gathering will feature distinguished speakers from local and global backgrounds, fostering enhanced dialogue and cross-border collaboration. This integrated approach ensures a comprehensive exploration of the challenges and opportunities facing the region today.

A spotlight on urban revitalization initiatives and the region's rich cultural and environmental heritage will include a cultural and biodiversity tour through San José, engaging discussions in the [Museo Nacional](#)'s butterfly pavilion, and a notable assembly of past and present mayors at [Museo del Oro](#). Attendees will also explore Central Valley with a hike through [Los Quetzales National Park](#), a farm-to-table dinner, and a Tech Trek at the [Terumo](#) plant in Cartago, complemented by a design pop-up experience and immersive coffee, honey, and cacao tastings.

Highlights of the 2024 Americas Summit in Costa Rica:

- Colorado Governor Jared Polis and team plan to meet with Costa Rican startups and the energy sector.
- Colorado-based companies [Hakkoda](#) and Terumo Blood and Cell Technologies showcase their operations in Costa Rica and the reason why Costa Rica is being considered the Silicon Valley of Central America.

The 2024 Americas Summit Costa Rica, aims to harness the transformative potential of collaboration and innovation to address our region's shared challenges and seize new opportunities for growth and prosperity.

### **About Biennial of the Americas**

The [Biennial of the Americas](#) (The Biennial) builds connections, creates community and inspires change across the Americas through events and ongoing leadership summits in Canada and Latin America. Due to its location on the North-South axis, this Denver nonprofit organization was launched in 2010 to enhance, celebrate and discover the cultural and economic connections between North and South America. The Biennial assembles the most innovative leaders in the western hemisphere to identify

unique opportunities and solutions to our shared challenges. For more information, visit <https://www.biennialoftheamericas.org> or engage with the Biennial on [LinkedIn](#), [Facebook](#), [Instagram](#) or [X \(@thebiennial\)](#). ###
